SELECTMEN'S DEDICATION

This year the "2002" town report is dedicated to the wonderful citizens of Winchester, NH.

We the Selectmen wish to thank the town's people for their response and caring for our township. We feel honored that you listened to our concerns and participated in the clean up and keeping of Winchester clean and presentable.

As you all know Winchester is growing and has had new businesses settle here and others looking into the possibility of moving here. There are many new faces in town as people move here from other states. For some of you it is hard to accept changes as they sometimes come too fast. Others of you welcome the changes and want to see a rapid growth. No matter the preference change happens at its own pace. We the Selectmen look forward to change as a way to help our town develop into a more wonderful and beautiful community.

Again we wish to thank you all for your help. Together we can accomplish many things that alone would not happen.

SELECTMEN'S REPORT - 2002

The Board of Selectmen wish to thank all the taxpayers and town officers for their cooperation during the past year. Selectmen meet every Wednesday at 5:00 p.m. in the Town Hall. The public is welcome to attend any and all meetings of the Selectmen. The Selectmen's Office is open Monday through Friday from 8:00 a.m. to 5:00 p.m.

Below is a listing of forms relating to property assessment and taxation that are available at the Selectmen's Office. The information provided below is just a summary of each form. For more specific information please contact this office.

INVENTORY OF TAXABLE PROPERTY:

As of this year 2002 the inventory form will not be mailed out to the citizens of Winchester. In order to save time and money the inventory forms will be done only every five years. The next mailing will take place in the tax year 2004/2005. The only form that is mailed to property owners is the "Inventory of Taxable Property" form. **New Hampshire Law** states that an inventory form must be filled in, signed and returned to the Selectmen's Office on or before April 15. If an inventory form is not filed on time the property owner loses the right to appeal his or her assessment with the town, with the Board of Land and Tax Appeals and to Superior Court. Forms are mailed in late March, so if you do not receive one contact this office before April 15 and one will be sent to you. If the inventory form is returned after the due date a penalty will be assessed on the second tax bill. *Due date is April 15.*

VETERAN'S TAX CREDIT:

To be eligible an applicant must meet state residency and military service requirements. If a person receiving the credit changes his or her domicile, or a veteran's spouse becomes a widow or widower during the year, a new permanent application must be filed with this office. The town also offers a tax credit for service connected total & permanent disability. This is the only disability credit/exemption that the town offers and must be validated. *Due date is March 1.*

ELDERLY EXEMPTION:

This exemption has three categories: age 65-74, age 75-79, and 80 years of age and older. Besides meeting age requirements there are annual income and asset restrictions to those applying for this exemption. *Due date is March 1.*

BLIND EXEMPTION:

Applicants who are declared legally blind are eligible for this exemption. *Due date is March 1.*

PHYSICALLY HANDICAPPED EXEMPTION:

This exemption allows improvements - such as wheelchair ramps - that have been made to assist physically handicapped individuals, to be exempt from taxation. There is a minimum residency requirement for this form. *Due date is March 1.*

OPEN SPACE/CURRENT USE:

Applicants land must meet minimum lot size and other classification requirements in order to receive the current use valuation on their land. Once land is put in to current use there is a penalty tax applied for removing land from the classification. *Due date is April 15.*

INTENT TO CUT TIMBER:

Prior to each cutting operation every owner must file this form at the Selectmen's Office. No cutting shall begin until local and state approval is given. Permits are to be posted at the site.

INTENT TO EXCAVATE:

Every owner who intends to excavate earth shall file a Notice of Intent to Excavate, with the assessing officials in the town offices where such excavating is to take place. This notice must be filed prior to commencing each excavation operation and at the beginning of the tax year (April 1) for operation not yet completed or in progress. There is a fee of \$100 for each Intent filed, made payable to: State of New Hampshire.

BUILDING PERMIT:

Any person, firm, corporation, municipality, public agency, or institution desiring to operate, maintain, offer for rent, lease or tenancy any site, lot, field, tract of ground for location of any building, trailer or manufactured housing, or other similar conveyance, place or abode for shelter, or any other form of development, - as defined in the Town of Winchester Zoning Ordinance - shall obtain a written operating [*BUILDING*] permit from the Board of Selectmen.

A fee to be set annually by the Board of Selectmen and payable to the Town of Winchester is required with the issuance of each permit. When permits are not used within one year from the date of issuance an application for renewal of permit must be made, and if granted, will not entail the payment of a new fee. Where applicable, it would be necessary to have received and to show proof of having received an "Approval of Construction," granted by the N.H. Dept. Of Environmental Services, Water Supply and Pollution Control Division for the construction of any septic tank system - or where applicable - a Certificate of Sewer Availability from the Board of Selectmen - before a building permit or permit to park manufactured housing shall be issued.

No building construction may begin before the permit is issued. The building permit application fee is based on square footage of the structure. New residential construction is based on \$.15 per square foot, non-residential is \$.10/sq. ft., and commercial construction is \$.20/sq. ft. The minimum fee is \$35.00. Electrical and plumbing permits have a flat fee of \$35.00 each.

MANUFACTURED HOUSING:

Whenever a person moves manufactured housing into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases existing manufactured housing with the intent of residing in the same at the existing location, he shall

within fifteen days of the placement of the manufactured housing, or within fifteen days of the purchase of same, register with the assessors of the city or the selectmen of the town where he intends to reside. Anyone who fails to comply with the provisions of this section shall be guilty of a violation. (RSA 72:7-B)

Further, it shall be unlawful for any person to move manufactured housing into, out of, or within the Town of Winchester without first obtaining a permit from the Board of Selectmen. The hauler of such manufactured housing shall have the permit in his possession at the time of the move.

The granting of such permit shall entail a fee, which shall be set by the Board of Selectmen, not to exceed \$100.00. This does not apply to manufactured housing that passes through the town in transit, both from and to another town.

Currently there is no fee for the "Permit to Move Manufactured Housing". Supplemental information is required, proving that taxes are paid up-to-date in whichever town it is being moved from, if used, or that the home is brand new from the factory, if new.

RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 8 TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF FIVE THOUSAND DOLLARS (\$5,000.00) TO SUPPORT THE 250TH CELEBRATION.

RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 9 TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE A SUM OF FIVE THOUSAND DOLLARS (\$5000.00) FOR THE ANNUAL WINCHESTER PICKLE FESTIVAL.

RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 10 TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF FIFTY THOUSAND DOLLARS (\$50,000.00) FOR THE PURPOSE OF RECREATION IN THE TOWN OF WINCHESTER TO BE PAID TO THE E.L.M. MEMORIAL COMMUNITY CENTER ON A CONTRACTUAL BASIS.

RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 11 TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE TWELVE THOUSAND DOLLARS (\$12,000.00) FOR THE PURPOSE OF A PARTIAL MATCH FOR TWO GRANTS IN THE SUM OF \$205,822., TO SECURE A CONSERVATION EASEMENT ON 304 ACRES OF FARMLAND, WOODLAND AND WETLAND, SHOULD THOSE GRANTS BE AWARDED TO THE TOWN OF WINCHESTER.

RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 12 TO SEE IF THE TOWN WILL RAISE AND APPROPRIATE THE SUM OF FIVE THOUSAND DOLLARS (\$5,000) FOR THE SUPPORT OF THE WINCHESTER LEARNING CENTER, OR ACT IN ANY MANNER THEREON.

**RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE**

ARTICLE 13 TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWENTY SIX THOUSAND DOLLARS (\$26,000.00) TO REPLACE THE ROOF ON THE EMERGENCY SERVICES BUILDING NEXT TO THE GARAGE OR ACT IN ANY MANNER THEREON.

**RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE**

ARTICLE 14 TO SEE IF THE TOWN WILL VOTE TO ADOPT THE PROVISIONS OF RSA 31:95-C TO RESTRICT REVENUES FROM THE PAY-BY-BAG SYSTEM AND THE RECYCLING CENTER TO EXPENDITURES FOR THE PURPOSE OF SOLID WASTE DISPOSAL. SUCH REVENUES AND EXPENDITURES SHALL BE ACCOUNTED IN A SPECIAL REVENUE FUND TO BE KNOWN AS THE TRANSFER STATION/RECYCLING CENTER FUND, SEPARATE FROM THE GENERAL FUND. ANY SURPLUS IN SAID FUND SHALL NOT BE DEEMED PART OF THE GENERAL FUND ACCUMULATED SURPLUS AND SHALL BE EXPENDED ONLY AFTER A VOTE BY LEGISLATIVE BODY TO APPROPRIATE A SPECIFIC AMOUNT FROM SAID FUND FOR THE SPECIFIC PURPOSE RELATED TO THE PURPOSE OF THE FUND OR SOURCE OF REVENUE.

**RECOMMENDED BY THE BOARD OF SELECTMEN
NOT RECOMMENDED BY THE BUDGET COMMITTEE**

ARTICLE 15 TO SEE IF THE TOWN WILL VOTE TO DEPOSIT 75% OF THE REVENUES COLLECTED PURSUANT TO RSA 79-A (THE LAND USE CHANGE TAX) IN THE CONSERVATION FUND IN ACCORDANCE WITH RSA 36-A:5, III AS AUTHORIZED BY RSA 79-A:25, II.

RECOMMENDED BY THE BOARD OF SELECTMEN

ARTICLE 16 TO SEE IF THE TOWN WILL VOTE TO CREATE AN EXPENDABLE TRUST FUND UNDER THE PROVISIONS OF RSA 31:19A FOR PAYING POLICE SPECIAL DETAILS AND ASSOCIATED OPERATION AND ADMINISTRATIVE PURPOSES; THAT THIS WILL BE AN INDEFINITE EXPENDABLE TRUST IN WHICH THE PRINCIPAL AND INTEREST MAY BE APPROPRIATED AND EXPENDED; AND FURTHER, TO NAME THE BOARD OF SELECTMEN AS AGENTS TO EXPEND FROM THE TRUST FUND; AND TO RAISE AND APPROPRIATE UP TO FIFTY THOUSAND DOLLARS (\$50,000.00) INTO THIS FUND WITH SUCH FUNDS COMING FROM OUTSIDE POLICE SPECIAL DETAILS AS PROVIDED UNDER RSA 31:19-A (NOT FROM TAXATION).

RECOMMENDED BY THE BOARD OF SELECTMEN
RECOMMENDED BY THE BUDGET COMMITTEE

ARTICLE 17 DO YOU FAVOR THE ADOPTION OF THE TOWN MANAGER PLAN AS PROVIDED IN CHAPTER 37 REVISED STATUTES ANNOTATED, AS PREVIOUSLY APPROVED BY WINCHESTER VOTERS?

ALSO TO SEE IF THE TOWN VOTERS WILL RAISE AND APPROPRIATE THE SUM OF \$50,000 AS THE SALARY FOR A PROFESSIONAL TOWN MANAGER AND ORDER THE SELECTMEN TO NEGOTIATE THROUGH THE TOWN MANAGER ASSOCIATION FOR THE N.H. MUNICIPAL ASSOCIATION OR SOME OTHER ORGANIZATION TO RECOMMEND AND ADVISE THE SELECTMEN IN THE SELECTION OF A QUALIFIED PROFESSIONAL TOWN MANAGER.

IF THIS ARTICLE PASSES, THE SALARY BUDGETED FOR THE ACTING TOWN ADMINISTRATOR (\$40,000) AND A REDUCTION OF (\$10,000) FROM THE SALARIES CURRENTLY PAID TO THE 5 MEMBER BOARD OF SELECTMEN WOULD FUND THE PROPOSED TOWN MANAGER SALARY. THIS SALARY MONEY (\$50,000) IS ALREADY INCLUDED IN THE 2003/2004 OPERATING BUDGET AND NO FURTHER TAXATION WOULD BE REQUIRED FOR THE PROPOSED SALARY.

BY VOTING YES, YOU ARE DIRECTING THE SELECTMEN TO HIRE A QUALIFIED, PROFESSIONAL TOWN MANAGER AND PAY HIS/HER SALARY FROM MONEY ALREADY IN THE EXISTING 2003/2004 OPERATING BUDGET.

THIS "YES" VOTE WILL NOT INCREASE TAXES.

INSERTED BY PETITION

ARTICLE 18 TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE SELECTMEN TO ENTER INTO A FIVE YEAR LEASE AGREEMENT FOR THE PURPOSE OF LEASING A NEW AMBULANCE FOR THE WINCHESTER AMBULANCE DEPARTMENT, AND TO RAISE AND APPROPRIATE THE SUM OF \$8,000 FOR THE FIRST YEAR'S PAYMENT FOR THAT PURPOSE? THIS LEASE AGREEMENT CONTAINS A NON-APPROPRIATION CLAUSE, WHICH PROVIDES THAT SHOULD THE TOWN MEETING NOT APPROPRIATE FUNDS IN THE FUTURE TO SATISFY THE TERMS OF THE LEASE AGREEMENT, THEN THE TOWN IS NO LONGER OBLIGATED UNDER THE TERMS OF THE AGREEMENT.

INSERTED BY PETITION

**RECOMMENDED BY THE SELECTMEN
NOT RECOMMENDED BY THE BUDGET COMMITTEE**

ARTICLE 19 IN ACCORDANCE WITH NEW HAMPSHIRE RSA 41:47 ARE YOU IN FAVOR OF ELECTING A POLICE CHIEF FOR A TWO-YEAR TERM?

INSERTED BY PETITION

ARTICLE 20 TO SEE IF THE TOWN WILL VOTE TO RESCIND THE PROVISIONS OF RSA 32(MUNICIPAL BUDGET ACT) AS ADOPTED BY THE TOWN OF WINCHESTER IN 1935 AT THE REGULAR TOWN MEETING.

INSERTED BY PETITION

ARTICLE 21 SHALL THE TOWN OF WINCHESTER REQUIRE THAT ALL LEASES THAT TOTAL MORE THEN ONE THOUSAND DOLLARS (\$1,000) BE REQUIRED TO BE DONE BY WARRANT ARTICLE?

INSERTED BY PETITION

ARTICLE 22 SHALL THE POSITION OF ROAD AGENT GO FROM AN APPOINTED POSITION TO AN ELECTED POSITION WITH A THREE YEAR TERM? THIS BEING BASED ON TWO YEARS CONFIRMED ACCEPTABLE PERFORMANCE FROM PRIOR EMPLOYER IN ROAD MAINTENANCE, EMPLOYEE RELATIONS, AND REPORTING?

INSERTED BY PETITION

ARTICLE 23 SHALL THE POSITION OF ADMINISTRATOR/ADMINISTATIVE ASSISTANT BE A NON-FUNDED POSITION EFFECTIVE AT THE END OF THE FISCAL YEAR WHICH ENDS JUNE 30, 2003?

INSERTED BY PETITION

ARTICLE 24 ARE YOU IN FAVOR OF REQUIRING THE SELECTMEN TO
REPLACE THE TOWN ADMINISTRATIVE ASSISTANT (ALSO
KNOWN AS TOWN ADMINISTRATOR) WITH A PERSON WHO
POSSESSES A MINIMUM OF A FOUR-YEAR COLLEGE DEGREE AND
WHO HAS GOOD CHARACTER REFERENCES?

Board of Selectmen
Town of Winchester, New Hampshire

We have compiled the financial statements of the Town of Winchester, New Hampshire for the year ended June 30, 2002 included in the accompanying Form F-65 (MS-5), in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

Our compilation was limited to presenting in the form prescribed by the New Hampshire Department of Revenue Administration, information that is the representation of Town Officials. We have not audited or reviewed the financial statements referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

The financial report, Form F-65 (MS-5), is presented in accordance with the requirements of the New Hampshire Department of Revenue Administration which differ from accounting principles generally accepted in the United States of America. Accordingly, these financial statements are not designed for those who are not informed about such differences.

REPORT OF TRUST AND CAPITAL RESERVE FUNDS

City/Town WINCHESTER

For Year Ended JUNE 30, 2002

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief.

Signed by the Trustees of Trust Funds

on this date 9/13/02

REMINDERS FOR TRUSTEES

1. **INVESTMENT POLICY** - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.

2. **PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE** - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information.

Attributable expenses may be charged against the trust funds involved. Per recommendation of the Attorney General's Office, any charges in excess of 8% of the trust fund income must be charged to the general fund. Please list these expenses on the bottom of pages 2-3 of the MS-10 form and in the appropriate column on the MS-9 form.

3. **WEB SITE** - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division .
<http://www.state.nh.us/nhdoj/CHARITABLE.char.html>

4. **FAIR VALUE** - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.

5. **CAPITAL RESERVE FUNDS** - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).

6. **WHEN and WHERE TO FILE** - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

REPORT OF COMMON TRUST FUND INVESTMENTS

City/Town WINCHESTER

For Year Ended JUNE 30, 2002

CERTIFICATE

This is to certify that the information contained in this report was taken from official records and is correct to the best of our knowledge and belief.

Charles J. Whipple
Neil D. Mackay

Signed by the Trustees of Trust Funds

on this date 9/13/02

REMINDERS FOR TRUSTEES

1. INVESTMENT POLICY - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually.
2. PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information.

Attributable expenses may be charged against the trust funds involved. Per recommendation of the Attorney General's Office, any charges in excess of 8% of the trust fund income must be charged to the general fund. Please list these expenses on the bottom of pages 2-3 of the MS-10 form and in the appropriate column on the MS-9 form.
3. WEB SITE - A trustee handbook can be down loaded from the web site for the Attorney General's Charitable Trust Division .
<http://www.state.nh.us/nhdoj/CHARITABLE.char.html>
4. FAIR VALUE - Fold and complete page 4 to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
5. CAPITAL RESERVE FUNDS - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
6. WHEN and WHERE TO FILE - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See addresses on page 4 of this form. If you hold funds for the school, the school business administrator will need a copy for the school's financial report.

Winchester Police Department

To: Townspeople of Winchester
From: Chief Howard M. Sheats, Jr.
Date: January 29, 2003
Subject: Annual Town Report

On behalf of the members of the Winchester Police Department and myself, I would like to extend a Thank You and Best Wishes to Lt. Sherman Tedford and Hermon Winters. Sherman and Hermon have retired this year and between them they have over 70 years experience and knowledge that will be greatly missed. Sherman and Hermon thank you and wish you nothing but the best in your retirement.

2002 has brought several changes to the Winchester Police Department. Rafael Rivera was hired as the sixth full-time officer and has graduated from the New Hampshire Police Standards and Training this past June. Rafael received a special award from the Academy for his outstanding motivation and assistance to other trainees. Congratulations Rafael.

We have a new Records Management System and the computers have been networked. We now have three work stations which allow 3 officers to be inputting information into the computer system at the same time. The new Records Management System is called CrimeStar. We have photo imaging, which allows us to put photographs of any crime scene, accident or mug shots into the computer. By using a digital camera and storing the photographs on diskettes, we will no longer be purchasing film for cameras or paying to have the film developed thus saving several hundred of dollars this year in our budget.

The Police Department received two special gifts this year. The first gift was Body Amour, which Butch Plifka, owner of Kulicks Market raised over \$3,000.00 dollars by having former Red Sox stars sign autographs and by donations from several other business in town. Thank you Butch.

The second gift was by the Winchester Ambulance; the police department was able to purchase an Automated External Defibrillator (AED) unit from the Ambulance department for one dollar. This unit is taken on patrol each shift and is a valuable piece of equipment and can be a lifesaver. Thank you members of the Winchester Ambulance.

Although the face of our Department has changed our task remains the same and that is, to provide a professional and pro-active community oriented police services. We have accomplished a great deal this year, but there are still many things still to do.

In closing, I thank you for your support and ask for you assistance in making Winchester a safe and secure community to live in.

Respectfully submitted,

Howard M. Sheats, Jr.

WINCHESTER FIRE DEPARTMENT

The Fire Department currently has 46 active members. Unfortunately due to policy beyond my control, I had to let 3 long time firefighters go last year. Their dedication and service will be greatly missed.

We continue to have ongoing training sessions at the Fire Station monthly. Also members attend training sessions at Meadowood and other locations to upgrade and certify the department members firefighting skills.

In the past year we acquired a 1984 Mac pumper/tanker to replace a 1954 Dodge that desperately needed to be retired from service.

The FD Ambulance Division currently has twenty-two members and they have been striving very hard to continue to upgrade their training and certification. It really requires very dedicated people and a lot of time to continue to make improvements to the ambulance service, and the past year has been very productive.

As in the case with most small towns it continues to be a problem to find members who are in town during the day to respond to daytime calls.

We appreciate all the support the Fire Department has received from the townspeople, local businesses and organizations over the last year.

The department will continue to do our best to serve the community.

Respectively Submitted:

The year 2002 was a great year for the W.F.D. Ambulance! We have recruited three new members, one whom we sent to school to get her certifications, and the other two came to us already certified as EMT's! We have four members who returned to school and certified to their next level of EMT. We welcome our new members, and congratulate those who have been promoted to the next level!

We now currently have ten EMT-I's (I-techs, who can administer I.V. / drug therapy); eleven EMT-B (Basic level of EMT); one NRRFR (the minimum requirement to receive your N.H. provider's license); and one observer who has attended school and is awaiting results!

We are required to attend classes all year long, to keep up certifications. We once again attended the "DHMC Trauma Seminar" @ Dartmouth Hitchcock Medical Ctr., in Lebanon, N.H.. We continue to train at Cheshire Medical Ctr. once a month, we train with the fire department, and the Richmond Rescue; as well as monthly in house trainings.

With the continuous improvement within the department, we have had to rely less on the Paramedic intercepts from Diluzio/Keene. (our protocols require paramedics to be toned for specific type of calls). With more certified I-techs, we are able to administer treatments, that in the past were done by paramedics. Paramedics still transport with us on certain calls, per our protocols.

We have had a billing agent for the past year now, and things are running quite smoothly. We now have some of our earlier problems worked out. Our billing agent is CAG out of Connecticut. They have met with us on several occasions to work out our paperwork issues. Medicaid, Medicare, and private insurance change so frequently, that a private billing agent was the best way to go. CAG has done an excellent job pulling in revenue for the Town of Winchester. Last year's ambulance operating budget was \$61,941.00. CAG recovered \$50,057.99 in revenues. An additional \$29,000.00 could have been recovered through Medicaid, but wasn't due to clerical errors from the ever changing government forms. This is the biggest amount the town has received in revenues ever! Our goal for the up coming year, is to pull in more revenues than our operating budget!

We are continuously receiving compliments from the medical staff at Cheshire Medical Center, and other departments, about the improvements to our personnel. With new uniforms and improved patient skills, we have become a more professional department. One we are all proud to be a part of, and one the Town of Winchester can be proud of as well! We thank you once again for your support.

WINCHESTER HIGHWAY DEPARTMENT ANNUAL REPORT

The winter months brought us less than normal accumulation of snow. A total of 62 inches was measured at the Highway Department with nine (9) sleet and freezing storms recorded. A majority of the snow storms were what we deem nuisance storms where it snows for extended periods of time with little accumulations which require us to treat our roads with sand and salt and repeat the procedure several times. This is time consuming and costly. Total materials expended for weather related winter storms were approximately 1000 ton of salt and 2500 yards of winter sand. We wish to extend our heartfelt thanks to Bucky Sheats and the entire Police Department for their assistance with illegally parked vehicles during snow removal.

The Town received a Hazardous Mitigation Grant, which allowed us to completely resurface Burt Hill Road with major drainage improvements. Cooperation between area residents, contractors, Winchester and Hinsdale Highway crews and the Board of Selectmen attributed to the huge success of this project. Total costs for this endeavor make it more rewarding with the grant picking up 75% and Winchester contributing 25% with in-kind services. Approximate total cost for this project \$176,000, FEMA share \$131,000 and Town match \$45,000.

Continuing to preserve our existing roads we were also able to place pavement on highly traveled streets within the Village District, Parker St., Union St. and Swan St. which lead directly to our schools received much needed attention. Funding also allowed us to pave Duso Road, Lawrence St., portions of Ashuelot St. and Mechanic St. Projections on Asphalt projects for next year include Melvin Bridge Road, Coombs Bridge Road and the South end of Town, depending on funding of course.

Teamwork helps define a community and there were three projects this past year that required the sharing of manpower and resources. One was the working together of the Water Department and Highway Department to install a new water line on Elm Court. Another was the School Board, the SAU38 and Highway working to pave the school parking lot, painting of parking spaces and improving the drainage of said lot. Finally, the Town Beach personnel, the Town Beach Committee and the Highway Department in the cleaning of the Town Beach and the Town Beach building in preparation for the seasons opening. A special thanks goes to Dick and Norma Secord for their labor and equipment used to rake and smooth the beach area. Good things can happen when people work together. The above projects were all completed while our regular summer maintenance projects went uninterrupted. We added to our maintenance program this year and hope you noticed we are cleaning and sweeping the main street area on a weekly basis.

If anyone has legitimate concerns regarding our roadways or drainage issues, please feel free to contact me at 239-4811. Thank you for your continued support.

WINCHESTER SOLID WASTE MANAGEMENT DISTRICT REPORT

The new contract with Waste Management of New Hampshire began its first year of a three-year agreement and brought with it a significant increase in our operating budget. Payment for services require the district to pay WM \$216,000 for the first year. In no event shall an increase in the second year exceed 10% of the payment in first year or in the third year of the agreement exceed 8% of the payment in the second year. The negotiations for the second year of the contract began in June of this year and I'm happy to report there is no increase.

The Select Boards of Winchester and Richmond have decided to step forward with a Pay As You Throw (PAYT – pay per bag) program. This would require that any municipal solid waste (household rubbish) is to be placed in special Town bags or it will not be accepted at the facility. Details of where to purchase and prices for the bags have not been finalized at this time. There will be plenty of advanced notice to you the public before this takes place. PAYT is similar to a user fee or a utility charge where the more you use it the more you pay. It also promotes stronger recycling and we need improvement in this area. Also, the program should reduce the amount of rubbish we generate, which in turn has a direct correlation with our operating budget. Revenues derived from implementation of this system would go directly to reduce the operating budget and not go into the General Fund, ultimately lowering the tax rate. This would be pending warrant article approval by the public.

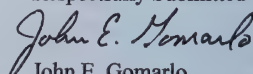

In a joint effort between Waste Management and the Salvation Army we now accept used clothing. Items must be in plastic bags and given to the attendant.

Surface water, ground water and methane gas testing have all remained very good, showing steady improvements in the capped landfill. In applying for our new ground water management permit, the monitoring results have lead to less stringent testing requirements for the next five (5) years.

The Land Fill Stickers that allow entrance to the facility are due October 1st of every year and must be attached to your vehicle and plainly visible. For households that have more than one vehicle after the initial \$10.00 fee any additional stickers are available for \$1.00 each.

REMEMBER, recycling is mandatory per town ordinance.

REPORTS FROM

Leroy Austin, Building Inspector/Code Enforcer & Vernon “Bucky” Jones, Health Officer

This past year has been very busy for Building Inspections, Code Enforcement and Health Office Enforcement.

Twelve new structures have been built, and upgrades of homes have taken place.

Winchester has a great potential for growth, of which we believe will take place. Some court actions have taken place and several citizens have been warned, as to junkyards, unregistered vehicles, garbage, rubbish and miscellaneous debris on their properties. We hope that people will comply with the zoning laws and not let the courts make their decisions for them. The costs of court cases can be very expensive. If we all comply and everyone makes an effort to clean up our town, we will encourage good growth.

Garbage and household rubbish must be kept in a covered container and disposed of in a timely manner. Automotive repair cannot take place except in an approved garage for that purpose. Also buildings must be kept in a state of good repair.

Another subject is West Nile Virus. We picked up four (4) birds this year. Two (2) of the birds tested positive for the West Nile virus. Be aware that stagnant water, such as water in old tires, junk automobiles, other rubbish and garbage are good breeding places for mosquitoes of which some carry West Nile Virus.

We ask again that the citizens of Winchester help us to make our town a clean and safe place to live.

Health Officer

Private Well Users!

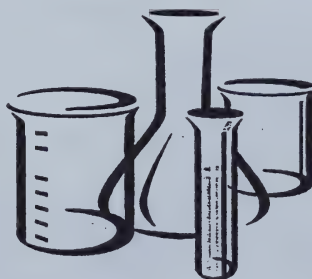

Have you had your well tested recently?

Drinking water from private wells in New Hampshire sometimes contains contaminants at levels that can pose health risks. Only a water quality test, by a competent laboratory, can assure that your family is protected.

What types of contaminants might be present in your well?

The following contaminants, some naturally-occurring and others man-made, have been found in private well water in New Hampshire:

Arsenic
Bacteria
Fluoride
Nitrate
Radium
Radon
Sodium
Uranium

Volatile Organic Chemicals (VOCs)

Where can you learn more about this?

For further information, please visit the N.H. Department of Environmental Services' website at www.des.state.nh.us/wseb, then select "fact sheets," then 2-1.

REPORT OF WELFARE DIRECTOR

Again this year homelessness and medication have been the major requests received in this office. The cost of prescriptions is very high and many people who can meet their other needs cannot meet this expense.

All applicants are investigated and their needs assessed.

The Zoning Board of Adjustment
2001-2002 annual Report

The Zoning Board of Adjustment is empowered to enforce ordinances by holding public hearings for administrative appeals, special exceptions, and variances. The ZBA meets on the first Thursday of every month unless the Board has decided not to, or unless otherwise posted.

The Board shares the conviction that their decisions will be made with uncompromising integrity, commitment to fair and equal treatment of all applicants, based on full compliance with our zoning laws, and sensitivity to individual circumstances, with a clear sense of responsibility to community. I am honored to serve as Chairman of this very special Board, and The Town of Winchester can be proud of this Board and their commitment to the job at hand.

The following applications were received and processed:

<u>Name</u>	<u>Type</u>	<u>Decision</u>
Dennis Whitcomb	Variance	Granted
Levi Bolster	Permitted	Granted
Southwestern Community Services	Variance	Granted
Marilyn DiCarlo	Variance	Granted
Andrew Symington	Rehearing	Denied
Blais Realtors	Special Exception	Granted

This list is incomplete due to lack of clerical support.

The Zoning Board invites the public to attend our meetings, and is always looking for new members. The Board consists of five permanent members and two alternate members. If you have an interest in learning more about the ZBA, please contact the Chairman at 239-4951.

Our current members are:

Jon Baldvins, Chairman

Town of Winchester
Planning Board
Annual Report 2002

It has been a very busy year for the Planning Board. Our members are very dedicated and have put in numerous hours addressing the issues put before the Board. Proudly you have passed 16 out of 20 proposed Zoning changes in March. This coming year (2003) we have proposed 12 new changes. Towns need to constantly update Zoning Ordinances to accommodate changes in life, economy, needs, and the security of the community. Your input is vital.

We approved 5 subdivisions, 4 boundary line adjustments, and 4 site plans (for businesses), and 3 site plans have been approved for cell towers.

We have a new clerk with regular hours and hopefully a full time position soon.

Respectfully,
Margaret Sharra, Chair
Winchester Planning Board

WINCHESTER CONSERVATION COMMISSION

FLORA • FAUNA • AIR • SOIL • WATER • RECREATION

Town Hall • Winchester, New Hampshire 03470

ANNUAL REPORT TO THE TOWNSPEOPLE-FISCAL YEAR 2001-2002

The Winchester Conservation Commission continues to work to insure the proper use and protection of Winchester's natural resources. The Commission reviews applications for dredge and fill permits and applications for wetlands permits. Copies of applications for excavation permits are presented to WCC for comment and recommendations.

The WCC works with the Town Forester to monitor compliance with timber harvesting and wetlands laws and regulations. When appropriate, cases are forwarded to the selectmen, NH Department of Environmental services and/or NH Division of Forest and Lands for further action. In conjunction with the state, water tests were done at Forest Lake.

The WCC manages nine parcels of land. Seven of the parcels are designated as Town Forests, and two parcels are lands with conservation stipulations. All nine parcels can be used for recreation purposes, such as hiking, picnicking, snowmobiling, and fishing. Location of these properties can be found on the tax maps.

- Map 9, Lot 53, Lot 59
- Map 5, Lot 77, Lot 106, Lot 143
- Map 6, Lot 10-1, Lot 10-2, Lot 11, Lot 19

Lot 77 on Map 5, also known as the Wulff Property is to be held as a nature preserve for scientific, educational and aesthetic purposes. It has been surveyed so that hiking trails can be established.

WCC has purchased space on the Town of Winchester web site that is currently under development. Meeting times, contact numbers, and resource information will be available at this site.

WCC has been working on securing an easement to be held by the town of Winchester on over 300 acres on farmland, woodland and wetlands. These lands lie over the aquifer that supplies some of Winchester's municipal water.

WCC is a member of the New Hampshire Association of Conservation Commissions, The Monadnock Conservancy, S.P.A.C.E., and New Hampshire Timberland Association. Cynthia Ryder and Gus Ruth both serve as Winchester's representatives to the Natural Resources Advisory Committee of the Southwest Regional Planning Board.

Members of the Commission regularly attend workshops and conferences concerned with conservation and other aspects of the WCC duties.

Respectfully submitted,

Gus Ruth, Chairman

**ANNUAL REPORT
2001 - 2002**

The Community Center experienced another busy year while it served as host to: the Boy Scouts; Cub Scouts; Girl Scouts; Brownies; Kiwanis; the Winchester Women's Club; the Historical Society; the Senior Luncheons; the Ashuelot Valley Blazers Snowmobile Club; the Winchester Sportsman, Inc. Club; Win/Win, Keene State's early college awareness program for Thayer's middle school students; Blood Pressure and Foot Care Clinics sponsored by HCS; Southwestern Community Services, WIC and Commodity Food Programs; the MDS Parent Aid Program and our very own Flea Market. Special events included the Horse Pull, Christmas Bazaar, Winter Festival, Auctions, as well as various short-term programs.

The Bowling Alley continued to serve the public. Leagues met on the following days: Tuesday morning and evening, Wednesday morning and evening, and Thursday evening. Open Bowling was scheduled on Friday and Saturday evenings. As Saturday evenings were the busiest by far, the public can expect to see, during fiscal year 2002 - 2003, the Bowling Alley closed on Friday evenings but, will see expanded hours on Saturday's from 3:00 to 10:00 p.m. Birthday Bowling Parties continued to be a favorite during the winter months, as more than 20 were scheduled this year.

It is with pride that we report a total of 177 children participated in this year's Ball Programs. Kiwanis again sponsored Peewee while Town funding supported T-Ball, Softball and Little League. The Winchester Rockies won the Tri-County League Championship for the second year in a row, while the Winchester Reds placed third.

A Friendly Place for All People
◆
Incorporated 1938

Our Soccer Program, which enrolled 78 children, persisted through the dedicated efforts and determination on the part of the parents, coaches and children who participated. We are proud of all that took part in this program.

The Summer Day Camp Program was a huge success and run by Wendy Hildreth and Nancy Davis. These women, along with their staff, did a wonderful job by providing all 68 children enrolled in this year's program with numerous, fun filled activities. Twenty scholarships and some much need equipment was made possible through a grant received from a private foundation. The program ended with a family dinner celebration, in which "back to school" was the theme. All children were provided with school supplies and given the choice of selecting a backpack or thermal insulated lunch box.

The Recreation Center, however, perpetuates a decline in participants. As this program serves such a small number of the teenage population and uses a disproportionate amount of funds, the Board must question the logistics of running this program and its long-term sustainability.

Another year has come to a close. Again, we would like to acknowledge the many people who, through their unyielding dedication and support of the Center, have made all of our programs and accomplishments a success.

In this fiscal year 2001-2002, we extended our hours a little, won a prize and gave some loving care to our 100+ year old building.

We have increased our hours by opening the last Saturday of each month. Hours are 10am to 2pm. It is hoped that we will be able to open every Saturday sometime in the future.

In March 2002, Conant Library was pleased to receive *BOOKS FOR CHILDREN* grant through The Libri Foundation. This was a matching grant, matching 2 to 1. We raised \$350 and the foundation added \$700 toward the purchase of children's books. Our order for \$1050.00 allowed us to buy 66 books for preschool to sixth grade children.

It started with a few rain drops once and a while but eventually it was leaking with every rainstorm. Definitely time for roof maintenance. Repairs were made by Al Fauteux to slates, copper ridge metal and snow fences. Particular attention was paid to the tower.

Heating was improved in the back entrance. Inconsistent heat had effected the reliability of the handicap elevator located there. Work was done by Lawrence Brothers Plumbing and Heating.

For the first time ever, the windows were professionally washed by IDG Window Cleaning. It has made such a difference we may do this every year.

The outside wooden trim was painted by S & S Painting Inc.

We are getting in shape and look forward to next year!

Board of Selectmen
Town of Winchester
Town Offices
Winchester, NH 03470

Dear Selectmen,

As you know, Monadnock Family Services is active in your community, providing quality mental health services to anyone who needs them regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines services provided to residents in your town during 2001-2002. Over the past year, MFS provided services to over 6,500 adults, children and older adults, of which 297 were residents of Winchester.

Once again, MFS is asking for your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2001 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Winchester, amounts to \$5,273.75.

We ask for your continued consideration and support of our request. The cost to MFS to serve the uninsured has increased steadily with rising treatment costs and more people seeking subsidized services. The cost of serving the uninsured and under-insured residents of the Monadnock Region has averaged a half a million dollars annually for the past four years. United Way funds and town subsidies cover about a third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Winchester will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

In addition to the census report, I have enclosed materials describing the services we provide. If you have questions, or require more information, a representative from the agency will be happy to speak with you.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow.

Thanks for your consideration.

Sincerely,

Ken Jue

Mr. Tom MacQuarrie
Town Administrator
Selectmen Office
Winchester, NH 03470

Dear M. MacQuarrie,

This is in response to your budget request letter.

Southwestern Community Services would like to be considered at this time for a level funded appropriation of \$3,000.00. We will amend the request to reflect 1% of the value of our services, and we will as usual, send you the detailed breakout of our activity in Winchester when it is ready.

We begin the data collection in November and it is usually ready and printed after the first of the New Year.

As always, we appreciate the mutually cooperative relationship that we have enjoyed for many years.

Sincerely,

Office of the Selectmen
Town of Winchester
P.O. Box 25
Winchester, NH 03470-0025

Dear Selectmen:

I am writing to request that The Community Kitchen, Inc. be placed either on your March, 2003 Town Meeting warrant or in your town budget, for an operating budget request in an amount between \$8,500.00 and \$10,000.00.

In setting our request amount, we try to balance the amount of use the individual town has made of The Kitchen in the last year with the town's ability to pay. Between January 1, 2002 and September 30, 2002, The Community Kitchen distributed 2,017 boxes of food, containing 60,750 meals, to residents of Winchester and Ashuelot, for a total cost to The Kitchen of \$28,552.50. Based on these numbers, we have projected distribution totals for the year 2002 of 2,689 boxes, containing 81,000 meals to residents of Winchester and Ashuelot, for a total cost to The Community Kitchen of \$38,070.00.

Attached is a sheet showing different facts about our distribution to residents of Winchester and Ashuelot, including how many of people served were under age 19 or over age 59. The average cost per meal to The Community Kitchen is \$0.47, which covers all of our costs - including salary, property and liability insurance, vehicle operation and maintenance, utilities and food purchases.

Not included in the \$0.47 is the actual value of the donated food as well as the hundreds of hours of volunteer time and other in-kind donations we receive. If we factored these in, the \$0.47 cost per meal would jump to over \$1.50 per meal. As you see, in terms of value received, the \$8,500.00 - \$10,000.00 we are requesting from Winchester and Ashuelot is a bargain.

An average of 550 families every week comes to the Pantry for food assistance. We have asked for written proof of names, ages, addresses and income for each member of every household. A typical weeks' box will contain cereal, juice, yogurt, bagels, bread, pasta, sauce, chicken, fresh fruits and vegetables, soup, dessert items and personal care products. Approximately 80% of the items we distribute are donated from local wholesalers, retailers and restaurants. We purchase the remaining 20% locally, or from the NH Food Bank in Manchester, where we are charged \$0.14 per pound. Approximately \$85,000.00 is spent each year on food.

At the Hot Meal program, dinner is prepared and served family style Monday through Friday, between 5:00 and 6:30 pm at our building on Mechanic St., Keene. Although we serve dinner to residents of most Cheshire County towns, we are not requesting reimbursement for those meals.

If you are interested, I would set up a time for a meeting or phone conversation with you in order to answer any further questions you may have. Please let me know when that might be convenient. Thank you for your time and consideration.

Sincerely,

STATE OF NEW HAMPSHIRE

WINCHESTER SCHOOL DISTRICT WARRANT FOR 2003/4

To the inhabitants of the Town of Winchester in the County of Cheshire and the State of New Hampshire, qualified to vote in school affairs:

You are thereby notified to meet at the Winchester Gymnasium at Thayer High School at 7:00 PM on Wednesday, February 5th 2003, to consider the following articles in deliberative session, pursuant to RSA 40:13. The official voting of the business of the School District as determined at the deliberative session and the election of School District Officers will be held at the Winchester Town Hall on Tuesday, March 11th, 2003 with the polls open between the hours of 8:00 A.M. and 7:00 P.M.

ARTICLE 1: Passage of this article shall override the 10 percent limitation imposed on this appropriation due to the non-recommendation of the budget committee.

In the event that ARTICLE 2 fails (to tuition high school students to Keene), shall the School District then raise and appropriate an additional \$2,000,000 dollars to be used in conjunction with the existing \$5.5 million dollar bond, passed, in 1999 to renovate, expand, repair, and equip the Thayer Middle and High Schools, pursuant to conceptual plans on file at the Superintendent's Office? Said \$2,000,000 dollars to be raised by the issuance of bonds or notes pursuant to RSA 33, according to the terms and conditions established by the School Board.

The School Board only recommends this article if ARTICLE 2 to tuition high school students to Keene fails. (60% vote required). The Budget Committee does not recommend this article.

ARTICLE 2: Shall the Winchester School District vote to enter into a contract with the Keene School District to tuition high school students (9-12) to Keene High School effective September 2003 upon terms and conditions agreed to by the Winchester School Board? **(Cost to be transferred from the operating budget for this purpose)** (Majority vote required)

The School Board recommends this Article.

ARTICLE 3: In the event that ARTICLE 2 fails (to tuition high school students to Keene), Shall the Winchester School District vote to raise and appropriate \$400,000 for curriculum improvement, classroom resources, and staff to improve high school student (9-12) achievement? (Majority vote required)

The School Board recommends this Article if ARTICLE 2 (to tuition high school students to Keene) fails. The Budget Committee recommends this article

ARTICLE 4: Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$8,628,498? [The operating budget (\$8,128,498, plus \$500,000 of this amount is for federal grants and nutrition grants that are funded by separate State and Federal revenues.) Should this article be defeated, the default operating budget shall be \$8,396, 269, which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised

operating budget only. **(Note: \$500,000 of this amount is for federal grants and nutrition grants that are funded by separate State and Federal revenues.)**

The School Board recommends this Article. The Budget Committee recommends this Article.

ARTICLE 5: Shall the Winchester School District vote to raise and appropriate \$113,655 to fund the cost items of the Collective Bargaining Agreement entered into by the Winchester School Board and the Winchester Teachers Association for the 2003-04 year? (Majority vote required)

The School Board recommends this Article. The Budget Committee recommends this Article.

ARTICLE 6: Shall the Winchester School District vote to raise and appropriate \$272,000 to do structural repairs to the roof over the elementary and middle school with the majority of the repair at the elementary school? (Majority vote required)

The School Board recommends this Article. The Budget Committee does not recommend this Article.

ARTICLE 7: Shall the Winchester School District vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) to be placed in the Building Improvements Capital Reserve Fund previously established? (Majority vote required)

The School Board recommends this Article. The Budget Committee does not recommend this article.

ARTICLE 8: Shall the Winchester School District vote to raise and appropriate up to \$50,000 to be placed in the Special Education Expendable Trust Fund with such amount to be from the year-end undesignated fund balance available on July 1st, 2003? The above stated amount shall be funded by a transfer of appropriations within the currently approved budget and **will not require any additional funds** to be raised through general taxation during the current fiscal year. (Majority vote required)

The School Board recommends this Article. The Budget Committee recommends this article.

ARTICLE 9: Shall the Winchester School District vote to replace the wheelchair lift in the Middle School and raise and appropriate up to \$15,000 for this purpose? (Majority vote required)

The School Board recommends this Article. The Budget Committee does not recommend this Article.

ARTICLE 10: Shall the Winchester School District vote to purchase a used pickup truck, where there is none now, to be used exclusively for maintenance and plant operations in the Winchester School District and raise and appropriate up to \$18,000 for this purpose? (Majority vote required)

The School Board recommends this Article. The Budget Committee recommends this Article.

ARTICLE 11: Shall the Winchester School District receive the reports of the agents, auditors, committees and officers chosen as printed and distributed in the Annual Report? Majority vote required.

The School Board recommends this Article.

ARTICLE 12: Shall the Winchester School District amend the existing agreement under Section 218 of the Social Security Act by excluding the services performed by election workers for a calendar year in which the remuneration paid for such service is less than \$1200.00? The \$1200.00 limit on the excludable amount of remuneration paid in a calendar year for the services

specified in this modification will be subject to adjustment for calendar years after 2002 to reflect changes in wages in the economy without any further modification of the agreement, with respect to such services performed during such calendar years, in accordance with Section 218(C)(8)(B) of the Social Security act. Majority vote required.
The School Board recommends this Article.

ARTICLE 13: "If the 2.0 million dollars additional bond is passed for the purpose of renovations to Thayer High School, we direct the School board to put the whole renovation package back out to bid with the following conditions: a minimum of three (3) architectural proposals by three (3) different architectural firms, a minimum of three (3) competitive bids for construction/renovation of Thayer High School. Each bid being fully bonded for the full amount. Contract to be awarded to the lowest bidder. The contract being approved by Winchester School Board.

Article by Petition

This article is non-binding on the School Board.

ARTICLE 14: We recommend the Winchester School Board study the possibility of a union between the Monadnock Regional High School, grades 9-12 and the Winchester High School (Thayer), grades 9-12 after the MRSD proposed new facilities are completed and operational for more than two years. Passage of this article is not binding on The Winchester School Board.
Article by Petition

ARTICLE 15: Shall the District vote to transact any other business as may lawfully come before the meeting?

Given under our hands at said Winchester, this 16th day of January, 2003

To All Citizens of Winchester:

I am delighted to share some of the achievements of the Schools and the Board that we are proud of.

Regional Committee

Last March the citizens in the community voted to explore a regional School concept for the education of Winchester's students. A Regional Committee made up of educators, citizens, parents, and a school board member, and Administration was formed to look into the possibilities, and, after month of study, the Regional Committee presented its findings to the Winchester School Board. The Regional Committee recommended building a new school in Winchester for Winchester and Hinsdale High school students and renovating the Hinsdale High school to be used as a middle school for the Winchester and Hinsdale students in grades 6-8.

Keene Tuition Feasibility Committee

The Winchester School Board voted to initiate discussions with about the possibility of tuitioning Thayer High students to Keene High School. The Keene Board of Education and the Winchester School Board formed a Joint Feasibility Committee consisting of parents, school board members, and Administration. The Feasibility Committee researched the tuition option and presented its recommendations of a 3-year phase in plan for Thayer students to the Winchester School Board.

Community Forums

The Winchester School Board hosted two forums for the community to inform the public about the options available to educate our high school students. On March 11, 2003, the voters in Winchester will choose either to tuition students to Keene, or to add an additional 2 million dollars to complete the original plan for Thayer High renovations. If these both fail, the Board spends the 5.5 million-dollar bond, already appropriated, to renovate and add what we can with the available money.

Winchester Elementary School

Last summer the Winchester Elementary School had a team participate in the Best Schools Initiative (BSLI). The work supports the efforts already being underway at the Elementary School under the leadership of Principal David Funkhouser. The elementary school continues work in the areas of literacy and has a Literacy Collaborative with a Literacy Coordinator who works with fellow staff as a coach and mentor. The elementary school also has Reading Recovery Program, Lindamood Reading Program, and Four-Block Instruction. The faculty has begun a new Math series with the students this year as well.

Thayer Middle School

The Thayer Middle School staff and Administration has continued to work at activities and curriculum that best meet the needs of the middle school age student. The staff and students again this year participated in assemblies for students, held student led conferences with families and participated in Career Day. The 7th grade also went to Nature's Classroom for a week. Thayer Middle school is also working on their Best School Initiative Plan to meet the NELMS guidelines for a middle school. Teachers are also attending workshops and meeting to design a new report card that will give parents much more information about how their child is doing in school.

Thayer High School

Thayer High School has a new principal, Michael Pregot and he supplies the Winchester School Board with much data regarding class size, discipline, drop out rates, etc on a monthly basis. All

schools are developing ways to use "Data Driven Decision Making." Mike and the staff are working with curriculum Director Helene Bickford to produce a written curriculum for all courses.

C.A.S.T.

The C.A.S.T. team continues to meet with community partners interested in the Winchester community. Last spring an information meeting about substance use and parental responsibility was held for parents in conjunction with the Winchester Police just prior to prom season. The group shares information about community resources as well as promoting a healthier community for all.

Security:

The Board has been committed to providing a safer school environment for all students and staff. The Board initiated efforts to secure all buildings in the fall, 2002. All visitors to the Thayer campus now enter through the gym lobby area and are greeted by a security staff member who ensures all visitors are signed in and wear a pass. At the elementary school, doors were installed that lock, to ensure that visitors will have to go by the office area to sign in. And tall, glass, locked security doors surround the entrances from middle to high school.

The Board continues to strive for school wide excellence and is committed to promoting activities and budget requests to support student growth and enrichment to prepare them for their futures.

WINCHESTER ELEMENTARY SCHOOL
WINCHESTER, NH 03470
ANNUAL REPORT
2002 - 2003

Winchester Elementary School is in the midst of important change. We continue to work toward our three established goals: **1) to increase children's ability to read and write, 2) to keep our school a safe environment where children feel that they belong and can participate without intimidation, 3) to increase community and family involvement so that it has a positive effect on student achievement.**

In addition, we have added a fourth goal, which is a giant step toward making our children into mathematicians. **We are implementing a mathematics program that is in harmony with the NH Frameworks and compatible with the National Mathematics Standards.**

To reach our literacy goal...

- We have continued to develop a kindergarten to grade two reading and writing program through our involvement with the *Literacy Collaborative* and Lesley University. Ruth Joslin, a second grade teacher who is also our Literacy Collaborative trainer, is assisting our teachers in implementing instructional practices that are in keeping with current research.
- Marcia Ammann has taken on the role of writing coordinator and works with students and teachers to improve writing in grades 3 – 8.
- Teachers for grades 3 -5 have entered their third year of working with the University of New Hampshire and Dr. Pam Mueller, a literacy specialist and consultant. We are hosting a course/study group, which meets regularly to discuss reading and writing practices in our classrooms. Dee Salonen, one of our third grade teachers, has taken on the role of facilitator for the course.

To reach our Safe School Climate goal...

- We have established a listing of *Absolute Behaviors* which are supported and enforced school wide.
- We continued using the *Responsive Classroom* as our social model as well as *Second Step* as our program for assisting children in making good, ethical choices.
- We record data that reflects the behavioral concerns at our school and review it regularly to see that our efforts are effective and pertinent.

To reach our Family/ School/ Community involvement goal...

- We have created the position of Partnership Coordinator. Pam Bigelow is facilitating our efforts in this area. She is working to encourage six types of involvement: **1) Parenting** (*assist families with parenting and child rearing skills*), **2) Communicating** (*communicate with families about school programs and student progress*), **3) Volunteering** (*recruit, train, and schedule the involvement of the community as volunteers*), **4) Learning at Home** (*involving families with their children in learning activities at home*), **5) Decision Making** (*include families as participants in school decisions*), **6) Collaborating with the Community** (*coordinate community resources and services for students, families and the school*).

site curriculum development workshops for staff, supports professional workshops and college courses for the teaching and administrative staff, provides onsite consultants to train teachers in best practices, and supports such job embedded activities such as teaming and study groups.

We hired several new faculty members this school year, and the district will provide these faculty members with a vast array of staff development opportunities, which will help us, link best instructional practices with school improvement initiatives. A New Teacher course is being offered this year and 14 new or non-tenured teachers are involved in the program. Support, retention and training of effective teachers make a huge difference in student success, and we know that teachers in their first and second year in a district need strong support most. Ongoing support of staff development is central to reaching the goal of increased student achievement.

Facility

During the last year, the Winchester School Board, Assistant Superintendent for Winchester, business manager, and community volunteers spent a considerable amount of time and energy contemplating the future of Thayer High School. Three subcommittees examined options for Thayer High School and, although the Board voted to support tuitioning students to Keene, that option and another one, to add 2 million dollars to the 5.5 million dollars to build the original plan is also on the March ballot, along with a \$400,000 warrant article to support curriculum and improved student achievement. Two Community Forums, drawing hundreds of residents, a bond hearing, and multiple School Board Meetings, along with a plethora of written information offered residents an opportunity to become fully informed for the March 11th vote.

While the foregoing expresses some strengths of our district, we are never complacent. We strive for continuous improvement. While our commitment to a strong academic focus is evident throughout our schools and while our parents and community members share enormously in the successes, we recognize that much remains to be undertaken. I sincerely thank you for your involvement and support of the Winchester schools. You make positive changes happen.

Respectfully submitted
Margaret A. Sullivan MALS
Assistant Superintendent of Schools
Winchester School District

Seeing a close connection between family and community involvement and student achievement and school climate, the Winchester Elementary staff and administration instituted social, behavioral programs such as Responsive Classroom and Second Step to improve the school's social climate, and the WES staff and administration kicked off a Family and Community Involvement initiative, aimed at improving student achievement. We are also proud of the Everyday Math program, and the Science and Social Studies Assessment.

Middle Level Education is more than a catch phrase

It has been a goal of the School District for the past several years to recognize that middle level students (grades 6-7-8) have unique instructional needs, which can differ widely from high school students, and to address those educational needs through a separate middle level program. While we have moved forward considerably, there is still much to be done to bring about this vision. We currently have 6-7-8 grade academic teams located in separate "pods" in the school, as we strive to provide a quality learning environment. As one of a handful of schools chosen by the State to participate in the Best School Initiative, our middle level teachers will receive three years of paid curriculum assistance and training to help us all move our students forward academically and socially. The focus of the grant is to enhance achievement in grades 6-7-8, and to move from a junior high school philosophy towards a middle level academic philosophy and program.

Such innovative and wonderfully successful programs as WIN/WIN, an after school and summer reading program which develops a love of reading in each child are exciting to see. The Middle School Book Club also offers students even more opportunities to read for enjoyment and to connect their reading to their lives.

Several teachers from the Middle School, along with Winchester Curriculum Coordinator Helene Bickford and Principal Lynne Bleier took a course on Differentiated Instruction last year to help them reach each student by tailoring the lesson to the student's learning style. They continue this effort this year and further demonstrate that we know each child learns differently. And to support that effort, the staff is involved in report card reform to report students' actual strengths and needs and to reflect the school's philosophy that each child's learning is unique.

Thayer's (Best School Leadership Initiative (BSLI) moves forward.

Each of the academic departments spent considerable time developing rubrics to allow students to better understand teachers' exact expectations. These rubrics help students to understand what A, B, C, D, or F work looks like. Students can then be more knowledgeable about teacher expectations and thus, improve their grades and achievement.

Writing is, of course, an important rubric and the staff continues efforts to integrate writing in all areas of the curriculum and is working on ways to improve writing on standardized tests, such as incorporating open ended questions in classes.

Staff Development/Teacher Induction Program

Of all the variables that impact student performance, one of the most important relates to the quality of instruction that occurs in the classroom. This requires highly qualified and dedicated teachers. Therefore, the School District is committed to, and financially supports, a strong staff development program because a highly qualified and dedicated teaching staff is at the heart of student learning and achievement. The Winchester School District provides ½ of a Curriculum Director position and several on-

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

With respect and pleasure, I submit to the citizens of the Winchester School District my sixth annual report.

As I reflect upon this past year, it has been one of much progress with a strengthened spirit of cooperation and teamwork. We are moving ahead by challenging ourselves to do better with everything we do, every day. The issues of student performance, effective teaching, school safety, funding and building concerns continue to be at the forefront of our efforts and are incorporated into the goals of the Winchester School District, where we strive to be a student-centered school district, where no child is left behind.

Full Day Kindergarten

This is the second year of full day kindergarten in the Winchester School District, and the research and pre-planning paid off. There are three sections of full-day kindergarten, where the expanded day allows time for experienced-based learning and allows teachers to present more material to students. In addition, children's learning and socialization have markedly increased.

Although state tests provide only one snapshot as to how well students are doing, it is an important piece of information. Testing results in the New Hampshire Education Improvement and Assessment Program (NHEIAP) show students falling behind the state average. These results are unacceptable to the administration and staff, as they do not feel that this data truly reflects the ability of our students, and the administration and staff has already begun working to bring about the improvement of these scores and view this as a "pivotal" year.

WES tackles Literacy Initiatives

Winchester Elementary School provided a second year of the "Learning Through Teaching" course, offered through the University of New Hampshire for teachers in grades 4-8. WES already offers Reading Recovery, Literacy Collaborative, and Four Blocks to further develop an understanding about how children learn to read and write.

We will see the result of this increased focus on reading and writing in our children's performance, as demonstrated in data collected from the annual review of the New Hampshire Education Improvement and Assessment Program (NHEIAP) results, administered in grades 3 (6 and 10 also), the Terra Nova Assessment Series, and ongoing classroom appraisals. It is a goal of the district to have every child reading on or exceeding grade level.

Marcia Ammann is our Literacy Coordinator, grades 1-8, and she spends her days in the classroom with students and teachers, helping student writing improve. We have seen wonderful pieces of student writing, as a result of this close collaboration.

The staff and administration of our elementary school have experienced a challenging and fruitful year. Literacy continues to be at the forefront of student learning, and our student's progress is frequently assessed, and the curriculum and instruction adjusted to help every child meet and/or exceed grade level in reading.

WINCHESTER SCHOOL BOARD GOALS

1. **Building, Site, and Facilities**

Promote the continual upgrade of school buildings, site, and facilities

2. **Curriculum**

Support school excellence and accountability by continually examining learner outcomes, curriculum, and programs designed to meet each student's educational needs

3. **Staff**

Support staff efforts to be life long learners and role models for students

4. **Communications**

Continue to seek ways to improve communications and interactions with community and school

5. **Climate**

Promote programs, policies, and procedures designed to cultivate positive student behavior and impart core values of respect and responsibility

6. **Student Behavior**

Support programs and procedures that encourage students to demonstrate exemplary behavior at all times

7. **Technology**

Insure that an instructional and administrative technology plan for the district is written and supported

8. **Vision**

Support a vision for the schools that increases student achievement and enhances building and grounds

9. **Data Collection**

Support collection, analysis and publication of data on student achievement and use data to inform all decision making

10. **Resources and Funding**

Assure that district budget reflects school and board goals

To reach our mathematics goal...

- We have introduced the *Everyday Mathematics* program for all elementary students. This program is more closely aligned to the *NH State Frameworks* and is more in keeping with successful, researched-based instructional practices than our former program. The *Impact Center* from Plymouth State College is providing us with teacher support so that our switch to the new program will be successful.

We have continued the many after school programs that have proven to be so popular. We are grateful for the county, state and national grants that make them possible as well as the support of our local budget, which helps to address our many needs.

It is an important time for Winchester Elementary School, a time for real and lasting change. We remain more than ever committed to working with the Winchester families for the betterment of the school and the community. Your involvement and interest are always welcomed and appreciated.

Thayer Middle School Annual Report 2003

The staff at Thayer Middle School continues to work toward achieving the school goals that we identified in July of 2001. We center all initiatives and activities around our school mission statement:

Thayer Middle School will provide a safe, student-centered environment where individuals achieve high standards of the mind and of the heart.

Thayer Middle School is based upon:

- Rigorous academics through exemplary instruction;
- Social, emotional, and physical wellness; and
- Family and community involvement.

We began this 2002/2003 school year with a retreat at Wilson Pond Lodge where we looked at our school goals, what we were doing to achieve them, and future plans to further those goals.

Goal 1 Provide for every student a safe, non-threatening environment where everyone belongs, where his/her passions and curiosities are fostered, and where each individual is valued.

- Tightened security with one point of entry for all students and visitors and a monitor to welcome and register visitors
- Staff training to reduce the incidence of bullying and other threatening behaviors
- Monthly all-school assemblies that are student-led and focus on the talents and interests of our students
- Increased number of after-school activities for students
- Emphasis on participation, rather than competition, in athletics

Goal 2 Develop a student-centered community of learners where students are held to high standards and encouraged to develop a love of learning.

- Student-led parent/teacher/student conferences
- Student leadership team that meets in an advisory capacity with the principal to discuss school issues
- Student/staff athletic challenges at the end of each quarter—volleyball, basketball, softball, etc.
- Report card reform based on best practices and geared toward increasing student achievement
- Whole-school integrated 2-day projects led by the Unified Arts team, fully integrating our middle school curriculum

Goal 3 Provide developmentally appropriate instruction, focusing on the unique needs of young adolescents. Through exemplary instruction and modeling, we strive to achieve our goal of developing life-long learners.

- Staff meetings and workshops focused on our initiative to differentiate instruction so that all students may learn
- A Middle School Book Club, funded and staffed throughout the year, where students read for enjoyment and connect their reading to other educational and exciting activities
- Enrichment classes during the school day—i.e. archeology and journal writing
- Using data to drive our instruction resulting in significant increases in standardized test scores at every middle school level

Goal 4 Utilize the community as a living classroom and as a partner in the educational process.

- Middle School Career Day featuring community members coming to school to talk about their vocations
- Life Skills classes going into the community to learn
- Shadow a student/teacher at the school
- World's Fair, International Festival, and Nature's Classroom

We gratefully acknowledge the community's continued support for our school and conscientiously govern our activities and expenditures so that we honor the trust that Winchester voters have vested in us and in our students.

THAYER HIGH SCHOOL
WINCHESTER, NEW HAMPSHIRE
ANNUAL REPORT
2003

January 2, 2003

Dear Citizens of Winchester:

Serving as the interim principal at Thayer High School has been a tremendously rewarding and energizing experience. I have seen resurgence in academic expectations by students and staff, and a tremendous outpouring of local community pride. At the high school level, we have implemented a professional development plan for faculty, devised a subject-based item analysis of state testing, and encouraged significant increases in after-school activities such as students clubs, or gymnasium use. Some of our students have received a number of prestigious awards such as the Daughter of the American Revolution Essay Contest, the Hugh O'Brien Leadership Award, and the President's Award for Academic Excellence.

During the first half of the school year, the Winchester School Board spent a considerable amount of time and energy contemplating the future of Thayer High School. There have been three separate subcommittees examining the most likely future scenario:

- 1) Maintaining Thayer High School as a separate facility with a refurbished school building.
- 2) Sending the senior high school students in grades 9 – 12 to attend Keene High School on a tuition basis.
- 3) Forming a Regional School District between the towns of Hinsdale and Winchester for both the middle and senior school students.

This final decision will occur in March. The school board has worked in a meticulous and soul-searching manner to make the best decision for Thayer High School students and implement all future change in an educationally sound manner.

Our newly hired teacher induction program consisted of several components. There were pre-service workshops prior to the start of the school year, a graduate course on instruction during the school year, monthly training sessions on specific educational topics, an individualized teacher professional development plan based on unique need, and a collegial evaluation that included both formal and informal evaluation of classroom techniques. The newly hired teachers were warmly welcomed into their new environment.

Student government was revitalized and the many decade-old traditions at Thayer High School continue such as Freshman Initiation Program, the class yearbook, and the Junior Prom.

High School Annual Goals

There were three separate predetermined goals addressed during this school year that received a great deal of attention.

Goal # 1 – Continue the Effort to integrate Writing into all Areas of the Curriculum.

Various techniques and strategies on ways to improve student writing were presented. In addition, the faculty worked monthly on ways to improve student writing particularly in standardized testing. Open-ended questions were framed and incorporated into each of the academic disciplines.

Goal #2 – Implement Standards-based Units of Instruction

Each academic department was able to use the results of the previous standardized state tests to identify target areas of additional instructional coverage. By looking at the individual item analysis per academic subject area, each content question that fell 10% lower than the state average was identified. This particular content was then included in extensive local curriculum review assuring greater coverage of academic content.

Goal #3 – Continue with the Work Initiated in the Best Schools Leadership Team Vision Statement

Each of the academic departments spent considerable energy in developing teacher prepared rubrics allowing students to better understand exact expectations. These rubrics indicate parameters as well as direct examples of what constitutes the difference of grades such as A, B, C, D, or F. By having the students becoming more knowledgeable about teacher expectations, greater effort and focus could be made to improve their performance.

Professional Development Plans

Beyond the three annual goals, each teacher was asked to develop an individual professional development plan. By focusing on what is the most needed personal element of professional growth, the teachers were able to select activities such as participation in graduate level courses, reading professional journals, attending local instructional-based monthly meetings, conferencing with colleagues or school administrators, preparing an individual project or journal, and/or visiting their fellow educators.

Parent Participation at Parent Conference Night

Our first annual Parent Conference Night on November 7 (evening) and November 8 (during the day) was extremely well attended. Over 95% of the Thayer High School parents were able to meet with the individual school advisors. The advisory meetings are very popular with parents as they can get a full report on all academic grades, standardized test scores, and school attendance by meeting with one person. Class advisors have spent a great deal of effort and time to assure that they understand all of the subtle nuances of student growth. These same teachers meet with students daily to verify that they meet required schoolwork.

Respectfully submitted,
Dr. Michael Pregot
Principal

Winchester School District

July marked the second year of a shared curriculum coordinator's position for Winchester and Hinsdale. I am pleased to be continuing this work in the Winchester School District. Support of such a position shows the commitment of the board and the town to a quality education for their students. As my office is at Thayer, I have the added opportunity of interacting with both students and staff there and the advantage of accessibility for teachers, administrators, and board members.

My goal in this position continues to be to increase student achievement. I believe that all students can learn and should be challenged at a high level. Working collaboratively, supporting teachers, and increasing skills and competencies does this best. Being a resource and supporting such efforts as the Best Schools Leadership Initiative at all levels, Elementary School literacy, the Everyday Math program, Elementary science and social studies assessment, Middle School organization, differentiated instruction, and High School curriculum and professional development efforts, have been very important.

One key aspect of this position is putting the curriculum on paper. This makes it easier for everyone, parents as well as teachers, to know and understand what students need to learn. Last school year, work in many curriculum areas brought consistency and collaboration from Kindergarten to Twelfth Grade. Having a continuous and easy to implement curriculum will help to reinforce what needs to be taught and learned. The curriculum is aligned with the New Hampshire State Frameworks. After some needed formatting work the curriculum will be posted on the WEB and made easily accessible to everyone.

Another aspect of my position is the monitoring of Home Schooling Programs. A database has now been established, making this work much easier to oversee. Plans for participating families are kept on file as well as yearly student assessment.

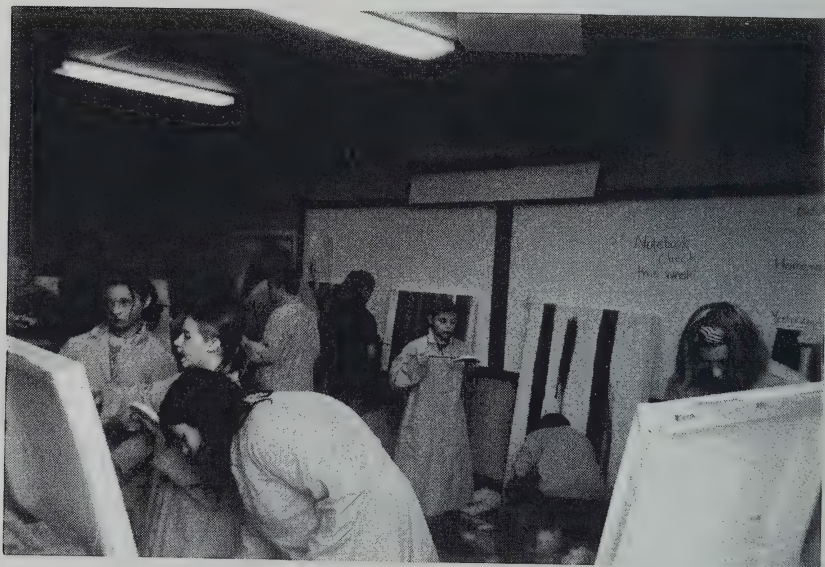

Essential learning and comprehensive assessment are also both critical in this work. Essential learning includes those skills and concepts students should know in each subject. These have been outlined as part of the work on the curriculum. Comprehensive assessment means checking for understanding in more than one way. Day to day measures in the classroom keep teachers and students on the right track. Yearly measures using state and national tests give us a larger context for looking at student progress and are significant in the overall plan.

Looking at data, analyzing results, and planning for improvement are critical attributes in this work. Data driven decision-making is more than just a catch phrase. As we all learn more of what this work involves, it will drive efforts in assessment, curriculum, teaching strategies and programs. Keeping parent, teacher, student, and community perceptions in mind, school personnel can work on what is most important and focus on increased student achievement.

The most significant work in this position is the support and retention of teachers and the continued improvement of instruction, programs, and teaching strategies. Research supports the fact that it is the classroom teacher who can make the most difference in student success. By building a skilled and consistent teaching force, student learning and achievement are significantly increased. It is critical to continually help teachers in their work, increase their skills, and refine their knowledge and craft. Teachers in their first and second year in a district need this support most. Teachers get better at what they do in their classrooms through feedback, teaming, study groups, workshops, and courses. A 'New Teacher' course is being offered this year and fourteen new or non-tenured Winchester teachers are taking advantage of the program. Ongoing support of these efforts is central to reaching the goal of increased student achievement.

I thank you for the opportunity of working in this field in Winchester. I look forward to continuing this important work.

Hélène L. Bickford, curriculum coordinator

Special Education Report
Dr. Kenneth R. Dassau

Crisis Prevention Institute (CPI) Training.

The NCES (U.S. Department of Education, 1998) report listed physical conflicts among students as one of three discipline problems most often cited by public school principals as serious or moderate problems in their schools. This fall, twelve SAU employees successfully complete a four-day course in nonviolent crisis intervention by the Crisis Prevention Institute.

The training was a response to requests from staff for assistance in working with students with difficult behaviors. Students who challenge the educational program are categorized in many ways. For students identified in accordance with federal special education law as emotionally or behaviorally disabled the list of risk factors appears endless. Causal theories generally assign risk factors within broad categories including situational events. Certified CPI trainers in nonviolent crisis intervention can now train other building staff. The training interventions will improve our ability to appropriately educate students without the identification of an educational disability. Or, if the student is identified with an educational disability, to successfully continue within the local school environment.

Our staff members who successfully completed the training are Kendra Dilegge and Katie Brunk from Winchester Elementary School, and Donna Robinson from Thayer High School. They completed the four-day training-of trainers course. Michelle McRae, and Pam Kolodziej, Thayer Middle School teachers, completed the 2 day informational workshop. Each is commended for their participation and efforts on behalf of our children.

The training was funded by a federal grant.

Technology Report Winchester School District

We continue to offer professional development in the area of technology and it's applications at the SAU and local level. This has been done through workshops as well as on a one to one just in time basis. Applications such as the Microsoft Office Suite (Word, Excel, PowerPoint) and eClass grades (electronic grade book) have been offered. Some of our staff has gone outside the district to learn about Photoshop for photo editing and Choices career and college exploration software.

A team of teachers along with Helene Bickford and myself has been developing a technology curriculum that we want to integrate into other disciplines (e.g. math, language arts). We have the groundwork almost complete for this.

Our biggest, most industrious project for the year was converting the old Token Ring technology at the high school and parts of the middle school to Ethernet technology, which was already in place at the elementary school and parts of the middle school. In doing this we have become one big network. We have used fiber optic technology to connect the high school to the elementary school and the Ford building, which never was connected to the network. Primarily an outside vendor did this with support from district staff.

Another project was to automate the library collection that was spearheaded by Pamela Ross. Now students can go to a computer and reference OPAC (a card catalog) to see what books are available in the Thayer Middle/High School library. The future plan is for online access to this.

To comply with federal mandates to filter pornographic images on the web from students we have installed a filtering device that we maintain.

The Winchester School District has a new domain name. The elementary school was using the sau38.org and mrsd.org some of the middle school was using the same names while other middle school staff was using thayer.winchester.k12.nh.us the same as the high school. We have now consolidated into one district. Our email ends with wnhsd.org (Winchester New Hampshire School District) and you can find us on the web at www.wnhsd.org.

The above figures are indicative of the busy, routine nature of the Thayer Health Office during a typical school year. The data does not reflect the all school head checks done after each vacation.

Throughout the school year when she isn't seeing students for illness or injury related visits, the nurse is kept busy with health screenings (athletic, head lice, spinal, vision, hearing, heights and weights), health education, presentations, other school and community endeavors. She is available as a resource to students and parents, to assist with research and personal health issues. The process of updating student health records is an ongoing project. Immunization status of the Thayer student body is monitored closely and reports sent to the NH State Department of Health and the NH Department of Education. The Nurse is an active member of the Thayer Child Concern Team, Joint Loss Committee, CAST (Community And Schools Together), and the Cheshire Coalition for Tobacco Free Youth (CCTFY). For Thayer staff, we have offered a flu vaccination clinic, blood pressure and cholesterol screening along with other wellness incentives.

Currently, there are many other projects in different stages of planning: Ongoing health policy review, comprehensive health curriculum review and development for grades k-12. We have been trying to develop better strategies to deal with issues of adolescence, e.g. tobacco, alcohol and other drug use/abuse amongst the students at Thayer. Some prevention efforts have had success. There was a great response by the 6th and 7th graders who participated in the Life Skills training; A collaborative effort of CCTFY and TMS.

The roles and goals of the school nurse have changed a great deal over the course of history. Today the school nurse not only delivers health services to the school community, but also must manage the health program through a systematic process of assessment, planning, intervention, and evaluation so that high-level wellness can be achieved and maintained. The school nurse is a counselor and educator for groups and individuals, as well as an advocate for the health rights of children and their families, within the school and the community at large. To quote the Surgeon General of the United States of America, "You cannot educate a child that is not healthy, and you cannot keep a child healthy who is not educated".

New NH Immunization requirements – 2nd MMR (Measles, Mumps, Rubella) and Hepatitis B series prior to entering school. Much time was spent gathering this information on new students in order to complete the mandated NH Immunization Survey.

New trend on medication for children with ADHD – switching to a once a day medication given at home. This has freed my time up to do more health education in the classrooms. “Preventing Spread of Germs”– hand washing, asthma ed. and some basic first aid/safety classes have been ongoing.

Screenings for lice continue – there has been a dramatic decrease in the numbers of cases

New forms (Annual Health History, Asthma Action Cards, Medical Emergency) were created to get a better picture of the health of the children at WES in order to support their needs and for quicker access to their health information if health emergencies arise.

Heights/weights (all school), hearing/vision (347 done last Spring/33 referrals) and scoliosis screenings (48 students last Spring) will continue this year.

Cheshire Smiles Cleaning and Education Programs (grades K-3) continue this spring. Last year 208 children were screened, 73 received cleanings, 50 children needed further dental care, 30 kids participated in the Sealant Program. Fluoride Rinse Program (grades 1-3) restarted this fall once a week continuing all school year. One hundred and twenty five students are participating. The State of NH Health and Human Services has provided a new Oral Health curriculum (grades K-4) and tooth brushing kits for all schools in the state. The classes have been a big success. Through much work by Cheshire Dental Public Health Task Force and Cheshire Medical Center our families now have access to two dental practices that accept Medicaid (cooperative effort between the NH Healthy Kids insurance and Delta Dental). These dentists will make possible the much-needed dental care our children and their families need.

Extensive amount of time spent working closely with staff, medical/dental/agency care providers throughout the year. Much continued involvement in the (CAST) collaborative and community needs/services meetings. Out of this, a committee (of which I was a key member along with Jan Gamache, Peg Tatro. With the help of many volunteers, the program, “Christmas For Kids-2002” -coordinating local individuals, agencies, clubs and churches to provide clothing, toys and books to families in our community was created.. Sixty-eight families/147children were helped. The quote “recognize the power of a team; no one succeeds alone” is so true for this caring community.

I really enjoy being your Elementary School Nurse. I look forward to another year of helping students, their families, staff and your community with health issues.

Sincerely,
Lori Bartashevich, RN

**DELIBERATIVE SESSION
FEBRUARY 4, 2002
WINCHESTER GYMNASIUM**

Moderator, Henry Parkhurst, called the meeting to order at 7:00 pm.

- Kevin Whippie MOVED to allow non-voters to attend the meeting.

SECONDED by: Laura Aivaliotis, MOTION PASSED BY A VOICE VOTE.

- Assistant Superintendent, Margaret Sullivan, introduced members of the Administration. Present were: Larry Biron, Business Manager, Ken Dassau, Director of Special Education, Debbie Trabbucco, Technology Director, David Funkhouser, Elementary School Principal, Lynn Bleier, Middle School Principal, Carol Fritz, High School Principal.
- Board Members present: Colleen Duquette, Beth Anne Tatro, Harold Bigelow, Theresa Sepe and Gary Schultz.
- Also present was Thomas Berry from Attorney Hatfield's office.

Henry Parkhurst read an excerpt by John Adams regarding civility in meetings. He then read the introduction to the Deliberative Session.

Two three-year term School Board positions will be vacant in March. One is presently held by Harold Bigelow and the other by Beth Anne Tatro. Those running are: Harold Bigelow, Anita Coll and Margaret Sharra. Beth Anne will not be running for another term.

ARTICLE 1:

Shall the Winchester School District raise and appropriate as an operating budget, not including appropriations by special warrant articles, and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$7,611,661. Should this article be defeated, the default operating budget shall be \$7,547,064 which is the same as last year, with certain adjustments required by previous action of the Winchester School District or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI to take up the issue of a revised operating budget only. (Note: \$500,000 of this amount is for grants and nutrition grants that is funded by separate State and Federal revenues.)

(The School Board and the Budget Committee support favorable action on this warrant article.)

Colleen Duquette MOVED to accept Article 1 as written; **SECONDED by: Kevin Whippie.** Colleen Duquette advised that in coming to an agreement on a budget, the Board eliminated a position and assistance was obtained from the Town for snow removal. The operating budget increase is 3.9%. She said that there are separate warrant articles for teacher increases, special education and capital improvement, and that the overall increase, including warrant articles is 5.4%.

- Susan Fortini expressed concern that Winchester is paying more in taxes than the City of Keene and asked the Board if they had written to legislators regarding Special Education reimbursements.
- Beth Anne Tatro advised that last year the Board sent their State Senators a letter asking for help. The State had said they would pay 40 cents on the dollar, but are only paying 13 cents

in Winchester toward special education costs.
MOTION PASSED BY A VOICE VOTE.

ARTICLE 2:

Shall the Winchester School District vote to approve the cost items included in the collective bargaining agreement reached between the Winchester School Board and the Winchester Teachers Association, which calls for the following increases in salaries and benefits?

Year 1 2002-03	Salary Increase	\$110,234
	Retirement	2,844
	Social Security	<u>8,433</u>
	Total	\$121,511
Year 2 2003-04	Salary Increase	\$103,052
	Retirement	2,659
	Social Security	<u>7,883</u>
	Total	\$113,594
<hr/>		Grand Total \$235,105

And, further to raise and appropriate the sum of \$121,511 for the 2002/2003 fiscal year, the sum representing the additional costs attributable to the increase and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.
(The School Board and the Budget Committee support favorable action on this warrant article.)

Colleen Duquette MOVED to accept Article 2 as written, SECONDED by: Marion Whippie.

- Theresa Sepe asked that one of the two School Board members that were on the negotiating team comment on how this is broken down for the Town's people to know what the increase is and what the percentage is from the second to third year.
- Gary Schultz advised that he was the School Board representative for the negotiation team for the bargaining unit working in an effort to reach a 2 year monetary pack to complete the teachers' contract. The figures in Article 2 reflect a 5.27% pay increase for the first year and a 4.68% pay increase for the second year; for a total 9.95% increase over two years.
- Cindy Ryder asked how this increase brings Winchester's salary schedule up compared to other schools.
- Gary Schultz advised that Winchester is hoping to be competitive with other schools in the area.

MOTION PASSED BY A VOICE VOTE.

ARTICLE 3:

Shall the Winchester School District vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) to be placed in the building improvements Capital Reserve Fund previously established?

(The School Board recommends this article. The Budget Committee does not support favorable action on this warrant article.)

Harold Bigelow MOVED to accept Article 3 as written; SECONDED by: Kendall Baker.

- Kevin Whippie noted that this article is similar to one placed on the ballot in other years.
- Harold Bigelow explained that this \$50,000 comes from taxation only to be used in case of emergencies/capital improvements. The Elementary School is over 30 years old; something could come up.
- Anita Coll asked what the balance is in the Capital Reserve Fund?
- Kendall Baker believes it was funded for the last 2 years and said that the Budget Committee felt it was time to take a year off; there is nothing earmarked for the money at this point.
- Theresa Sepe advised that there is \$111,000 in the Capital Reserve Fund.

MOTION PASSED BY A VOICE VOTE.

ARTICLE 4:

Shall the Winchester School District vote to raise and appropriate up to \$50,000 to be placed in the Special Education Expendable Trust Fund with such amount to be from the year-end undesignated fund balance available on July1, 2002? No additional tax dollars will be required to fund this article.

(The School Board and the Budget Committee support favorable action on this warrant article.)
Theresa Sepe MOVED to accept Article 4 as written; SECONDED by: Gary Schultz.

- Jill Rokes asked how much money there is in the fund?
- Theresa Sepe advised none at this time.
- Kevin Whippie asked if \$50,000 is close to adequate?
- Theresa Sepe advised that historically special education costs exceed the budgeted amount because of new students coming into the district and other students placed out of district.
- Ken Dassau advised that this is an article that if there is a fund balance it could go into a special account to fund only unforeseen special education costs. It is very similar to a warrant article many towns have.
- Sherman Tedford asked if these monies could be put back in the General Fund or are they earmarked for special education only?
- K. Dassau was advised money is for special education only. Just like the Capital Reserve, this is dedicated money.
- Beth Anne Tatro advised that one reason the article was done last year is because monies come out of the General Fund when a student unexpectedly needs placement and that reduces the academic program account.
- Jill Roakes asked of the special education students funded by Winchester, what percentage are from Winchester and what percentage are from other towns?
- Ken Dassau advised all students are Winchester residents. The Preschool does tuition students from Hinsdale.
- Jill Rokes asked how many Special Education students there are in grades K-12?
- Beth Anne Tatro advised 66 in the Elementary and 66 in the High School. The School is obligated to educate special ed students ages 3-21. This year Hinsdale is funding quite a bit.

MOTION PASSED BY A VOICE VOTE.

ARTICLE 5:

The voters are advised that the Winchester School District had an over-appropriation resulting from advanced expenditures to open the school of \$162,109.29 as of June 30, 2001, for the High

School renovation/construction project. No action is recommended or necessary, as this will be corrected with the funding of the \$5.5 million dollar project. For informational purposes only.

- Cindy Ryder would like more information from the School Board about how long will they need to be putting on band-aids?
- Beth Anne Tatro advised that the project is being held up in the Courts right now. The Fire Marshall came three weeks before school opened and these things needed to be done.
- Sherman Tedford asked what the ultimatum was from the Fire Marshall. Was there a written report?
- Beth Anne Tatro responded that the Fire Marshall advised that there was a written report of code violations and Board needed to fix violations or school would be unsafe to open.
- Henry Parkhurst reiterated that the School Board went with emergency funding rather than open an unsafe school.
- Kendall Baker wanted a breakdown of \$162,000 spent.
- Harold Bigelow advised the money was to bring the building up to fire and safety codes and electrical codes, to put railing on stairs, to put in an Alarm system and hook to Mutual Aid, to put in a two way Honeywell Intercom system for safety, to take walls down, etc. Did not have a breakdown of costs available at the meeting from August 1999-2001 work, but it is available.
- Police Chief Sheats asked if the School Department had a maintenance schedule? Why weren't these things done?
- Gary Schultz advised the building fell into disrepair over 20 years because operating budgets were cut and for many years unexpected special education funding costs and State mandated program monies always came from the maintenance budget. It got to a point where things were not safe and a building committee was formed in 1997. Also the district had to install a sprinkler system and emergency lighting. The maintenance budget is the first place school boards looked to for funding these other areas, when budgets were inadequate.
- Sherman Tedford asked again if there was a written report from the Fire Marshall's office to the SAU/School Board outlined in writing.
- Margaret Sullivan responded that there was a very long written report cataloging all the things that needed to be done. It advised that the building was unsafe for the children and these things needed to be addressed immediately. Did not say he would close down the building, but the school Board, at the time, took immediate action to ensure a safe building.
- Cindy Ryder asked, with all of this being brought out, do present budgets have sufficient maintenance funds in them?
- Henry Parkhurst feels it would be a good idea to discuss this issue further at a School Board meeting.
- Police Chick Sheats repeated S. Tedford's question and Margaret Sullivan repeated her answer to S. Tedford.
- Irene Pratt feels that the Town and School District has found itself on the horns of dilemmas for years. One being that the State of New Hampshire should not override issues of local control. The State will not demand you do something, but must maintain local control. The State will not say you have to close. Feels this may be unfortunate for children as the building has an impact on learning.
- Theresa Sepe asked about the \$162,000 last year when she joined the Board in June. She said

that Some things were not done due to the anticipated renovation project. She advised that the School Board spent the money in good faith. She feels the only problem is that she would like an itemized list and where the \$162,000 came from in hopes that people will come to the Board for information. Feels the money was spent on the welfare of teachers and students.

- Henry Parkhurst feels it is demoralizing to be in a place that is not clean and safe. The School Board did what they had to do. He thanked them for doing it. Moderator Henry Parkhurst thanked the Winchester School Board for completing all fire, electrical, and safety violations despite the expenses. He acknowledged a job well done.
- Henry Parkhurst advised that there was no action required on this article, must advise Deliberative Session by State law. He read from the law book advising this article is for information only.
- Kendall Baker advised that the school is in a non-deficit budget.
- Margaret Sullivan advised that K. Baker is absolutely correct.
- Henry Parkhurst advised that voters only need to acknowledge Article 5.

Beth Anne Tatro MOVED to acknowledge Article 5 ; SECONDED by: Colleen Duquette.

ARTICLE 6:

"Are you in favor of exploring the possibility of a regional school that will include the Town of Winchester?" This question is placed before the voters by petition.

- Henry Parkhurst advised this Article is on by petition with no action taken. Just needs to be Moved and will be on the ballot.

Beth Anne Tatro MOVED as printed; SECONDED by: Ken Harvey.

MOTION PASSED BY A VOICE VOTE.

ARTICLE 7:

Shall the Winchester School District receive and approve the reports of the agent, auditors, committees and officers chosen as printed and distributed in the Annual Report?

Gary Schultz MOVED to accept Article 7 as printed; SECONDED by: Sherman Tedford.

- Keith Whippie believes during discussion at the Town Meeting the Town approved articles similar; in effect until rescinded. Will this be the same here?
- Larry Biron responded that 3-4 years ago Town side of the Legislature asked and put in that statement. Those warrant articles are no longer a part. That's why Article 7 is in there until the Legislature adds.
- Henry Parkhurst asked for legal opinion from Mr. Barry.
- Attorney Barry informed Moderator that he concurred with Mr. Biron.

Colleen Duquette MOVED as printed; SECONDED by: G. Schultz.

MOTION PASSED BY A VOICE VOTE.

ARTICLE 8:

Shall the District vote to transact any other business as may lawfully come.

MOTION PASSED BY A VOICE VOTE.

- Sherman Tedford MOVED to adjourn the meeting until March 12th at 8:00 am, at the Town Hall, SECONDED by: Colleen Duquette.

MOTION PASSED BY A VOICE VOTE.

The meeting adjourned at 8:03 pm.

INDEPENDENT AUDITOR'S REPORT

To the School Board
Winchester, New Hampshire School District

We have audited the accompanying general purpose financial statements of the Winchester, New Hampshire School District as of and for the year then ended June 30, 2002, as listed in the table of contents. These general purpose financial statements are the responsibility of the Winchester, New Hampshire School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As more fully described in Note 1, the general purpose financial statements referred to above do not include the financial statements of the General Fixed Asset Account Group, which should be included in order to conform with accounting principles generally accepted in the United States of America. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Winchester, New Hampshire School District as of June 30, 2002, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 26, 2002 on our consideration of the Winchester, New Hampshire School District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Our audit was performed for the purpose of forming an opinion on the general purpose financial statements of the Winchester, New Hampshire School District taken as a whole. The combining financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Winchester, New Hampshire School District. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the general purpose financial statements. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated, in all material respects in relation to the general purpose financial statements taken as a whole.

WINCHESTER, NEW HAMPSHIRE SCHOOL DISTRICT
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS
June 30, 2002

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Winchester, New Hampshire School District conform to accounting principles generally accepted in the United States of America for local educational units of government, except as indicated hereinafter. The following is a summary of significant accounting policies.

Financial Reporting Entity

The Winchester, New Hampshire School District (the "District") is an independent governmental entity organized under the laws of the State of New Hampshire to provide public education within the borders of the Town of Winchester, New Hampshire. The District's legislative body is the annual meeting of registered voters within the District and is governed by an elected School Board. Administrative services are provided by School Administrative Unit #38.

The accompanying financial statements of the District present the financial position and results of operations of the various fund types and account groups. Included in the financial statements are those of the School Board, the District Treasurer, the Food Service program and the Student Activity Agency Funds. The District has no separate organizational units that meet criteria for inclusion in the financial statements as defined by the Governmental Accounting Standards Board.

Fund Accounting

The accounts of the District are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. The various funds are summarized by type in the financial statements. The following fund types and account groups are used by the District.

Governmental Fund Types

Governmental Funds are those through which most functions of the District are financed. The acquisition, use and balances of the District's expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus is upon the determination of changes in financial position, rather than upon net income determination. The following are the District's governmental fund types.

General Fund - The General Fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for specific restricted revenues and expenditures. The Food Service, Federal Projects and Special Projects Funds are accounted for as Special Revenue Funds.

Capital Projects Fund - The Capital Projects Fund is used to account for financial resources to be used for the acquisition of major capital facilities and equipment. During the year ended June 30, 2002, there was no activity in the capital projects fund (see Note 9).

WINCHESTER, NEW HAMPSHIRE SCHOOL DISTRICT
NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS (CONTINUED)
June 30, 2000

Fiduciary Fund Types

Expendable Trust Funds - Expendable Trust Funds account for the financial resources of the District's Building Improvements Capital Reserve Fund.

Agency Funds - Agency Funds are used to account for assets held by the District in a fiduciary capacity for various student groups and for payroll withholdings.

Account Groups

Account groups are not funds; they do not reflect available financial resources and related liabilities, but are accounting records of general fixed assets and general long-term obligations. The following is a description of the account groups of the District.

General Fixed Asset Account Group - The District does not record the acquisition of fixed assets in the General Fixed Asset Account Group as required by accounting principles generally accepted in the United States of America. Fixed assets acquired or constructed for general government services are recorded as expenditures in the fund making the expenditures. Funds used to acquire general fixed assets and/or debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made.

General Long-term Debt Account Group - The District accounts for its long-term debt and accrued retirement benefits in the General Long-term Debt Account Group.

Basis of Accounting

The modified accrual basis of accounting is followed by governmental funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures, other than interest on long-term debt, are recorded when the liability is incurred, if measurable. Disbursements for inventory items (food service inventories, textbooks, and paper supplies) are considered expenditures at the time of purchase. Food service inventories are recorded at current value at year-end to comply with state regulation and reported as a reserved component of fund balance.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of numerous individual programs are used as guidance. There are, however, essentially two types of revenues. In one, monies must be expended on the specific purpose or project before any amount will be paid to the District; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria are met.

Charges for services, and miscellaneous revenues (except investment earnings) are recorded as revenues when received in cash because they are generally not measurable until actually received. Investment earnings are recorded as earned since they are measurable and available.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Budgetary Data

The District's budget represents functional appropriations as authorized by annual District meetings. The school board may transfer funds between operating categories, as they deem necessary. The District adopts its budget under State regulations that differ somewhat from accounting principles generally accepted in the United States of America in that the focus is on the entire governmental unit rather than on the basis of fund types. Special revenue fund budgets are adopted to the extent that they interact with the general fund. Budgetary information in these financial statements has been presented only for the general fund, as it is neither practical nor meaningful for other funds. Following is a reconciliation between the budget as presented for financial reporting purposes and the adopted budget

Approved Budget - March 13, 2001	
School Meeting	\$ 7,391,605
Less: Perspective Differences:	
Special Revenue Funds:	
Food Service Fund	(100,000)
Federal Projects Fund	(400,000)
General Fund Budget	<u>\$ 6,891,605</u>

Sick Leave

District teachers may accumulate sick leave days at a rate of one per month, cumulative over a period of fifteen years to a maximum of 150 days. Upon retirement, school teachers may be eligible to receive \$50 per day for each unused sick day to a maximum of 150 days, providing certain conditions are met. Provision for these amounts has been made in the general long-term debt account group. Provision for sick leave is made in the annual operating budget.

Retirement Stipend

Upon retirement under the New Hampshire Retirement System, District teachers with more than twenty years employment are entitled to \$250 for each year of service. Provision for these amounts has been made in the general long-term debt account group.

Reconciliation of Exhibit B to Exhibit C

Exhibit C - Statement of Revenues, Expenditures and Changes in Fund Balance Budget and Actual (Budgetary Basis) is prepared on the budgetary basis of accounting and differs from Exhibit B - Statement of Revenues, Expenditures and Changes in Fund Balance by \$36,137 in revenues and expenditures for on-behalf fringe benefit payments by the State of New Hampshire for teacher retirement (see Note 5).

Comparative Total Data

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position or results of operations in conformity with accounting principles generally accepted in the United States of America, as no consolidation or interfund eliminations have been made in arriving at the totals.

NOTE 2—STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Payments to Capital Reserve Funds

Capital reserve fund appropriations were not transferred to the Winchester Trustees of Trust Funds by June 30, 2002 as is required by State statute.

NOTE 3—PROPERTY TAXES

Under State statutes, the Town of Winchester, New Hampshire (an independent governmental unit) collects School District taxes and State of New Hampshire Education taxes as part of local property tax assessments. As collection agent, the Town is required to pay over to the District its share of property tax assessments through periodic payments based on cash flow requirements of the District. The Town assumes financial responsibility for all uncollected property taxes under State law. For the year ended June 30, 2002 School District taxes were \$2,548,929 and State of New Hampshire Education taxes were \$875,062.

NOTE 4—CASH AND INVESTMENTS

The District has combined certain cash resources of its governmental fund types. For accounting purposes, the applicable portion of the pooled cash and investment balance is reported in the specific fund as equity in pooled cash and investments. Temporary negative balances are reported as interfund assets and liabilities.

The District's investment policies require that deposits and investments be in New Hampshire based financial institutions that are participants in one of the federal depository insurance programs. The District limits its deposits to money market investment accounts and certificates of deposit in accordance with New Hampshire state law or the New Hampshire Public Deposit Investment Pool (NHPDIP), an external investment pool. The NHPDIP is not registered with the United States Securities and Exchange Commission as an investment company. NHPDIP was created by state law and is administered by a public body of state, local and banking officials.

At year-end, the carrying amount of the District's pooled cash and investment balance was \$931,734, which consisted of bank deposits with a carrying value of \$931,527 and a bank balance of \$1,000,308 and investments in the New Hampshire Public Deposit Investment Pool of \$207. The bank balance was fully covered by federal depository or private insurance. Investments in the NHPDIP are not investment securities and, as such, are not categorized by risk. Other cash deposits with a book balance of \$76,913 and a bank balance of \$61,922 were fully insured by federal depository insurance.

NOTE 5—RETIREMENT PLAN

Plan Description

The District contributes to the New Hampshire Retirement System (NHRS), a cost-sharing multiple-employer defined benefit pension plan administered by the NHRS Board of Trustees. The plan provides service, disability, death and vested retirement allowances to plan members' beneficiaries. Benefit provisions are established and may be amended by the New Hampshire State legislature. The NHRS issues a publicly available financial report that includes financial statements and required supplementary information for NHRS. That report may be obtained by writing to New Hampshire Retirement System, 4 Chenell Drive, Concord, New Hampshire 03301.

Funding Policy

Plan members are required to contribute 5.0% of their covered salary and the SAU is required to contribute at an actuarially determined rate. The District contribution rates for the year ended June 30, 2002 were 2.58% and 4.14% of covered payroll for teachers and general employees, respectively. The District contributes 65% of the employer cost for teachers and the state contributes the remaining 35% of the employer cost. The District contributes 100% of the employer cost for general employees. On-behalf fringe benefit contributions by the State of New Hampshire have been recognized in these financial statements.

Under NHRSA-100:16, plan member contribution rates are established and may be amended by the New Hampshire State legislature and employer contribution rates are determined by the NHRS Board of Trustees based on an actuarial valuation. The District's contributions to the NHRS for the years ending June 30, 2002, 2001, and 2000 were \$79,843, \$77,097, and \$70,562 respectively equal to the required contributions for each year.

NOTE 6—CHANGES IN LONG-TERM DEBT

---	-------------------

General obligation debt is a direct obligation of the District, for which its full faith and credit is pledged, and is payable from taxes levied on all taxable property located within District boundaries.

The annual requirements to amortize all debt outstanding as of June 30, 2002, including interest payments of \$24,480 are as follows:

Debt Authorized/Unissued:

\$5,500,000 for school construction and reconstruction was authorized December 2, 1999, by a special district meeting. (See Note 10)

NOTE 7--RISK MANAGEMENT

The District is exposed to various risks of loss related to injuries to employees. During the year, the District was a member of the New Hampshire Public Risk Management Exchange (PRIMEX). PRIMEX is considered a public entity risk pool, currently operating as an insurance program for member school districts. This entity was organized to provide statutory worker's compensation coverage and is self-sustaining through annual member premiums.

The participation agreement permits the entities to make additional assessments to members should there be a deficiency in plan assets to meet its liabilities. Accounting principles generally accepted in the United States of America require members of pools with a sharing of risk to determine whether or not such assessment is probable and, if so, a reasonable estimate of such assessment. At this time, the District foresees no likelihood of an additional assessment for any of the past years.

NOTE 8--UNRESERVED DESIGNATED FUND BALANCE

Article #4 of the 2002 annual District meeting designated \$50,000 of the June 30, 2002 general fund balance to establish a Special Education Expendable Trust Fund.

NOTE 9--COMMITMENTS

Transportation

The District entered into a long-term contract with an independent bus company during 2000 to provide pupil transportation services through June 30, 2005. Terms of the contract include minimum payments plus gasoline usage when the cost of fuel exceeds \$1.10 per gallon. For the year ended June 30, 2002, the District expended \$336,887 under the terms of the agreement. Minimum future payments for the next three years are as follows:

NOTE 10—CONTINGENCIES

Federal Grants

The District participates in a number of federally assisted grant programs. These programs are subject to financial and compliance audits by the grantors or their representatives. The amounts, if any, of expenditures which may be disallowed by the granting agency cannot be determined at this time, although the District expects such amounts, if any, to be immaterial.

Litigation

The Winchester School District is involved as a co-defendant in an issue involving the validity of the \$5,500,000 debt authorization at the December 2, 1999 special district meeting.

The Town of Winchester, New Hampshire

The town of Winchester was founded in the year 1733 by Josiah Willard.

However, it was not incorporated until the year 1753. This year is Winchester's 250th birthday. Congratulations Winchester and to all the citizens who live in this thriving community. Let's make this one of the finest town celebrations ever.
